

No Bake Avalanche Cookies

Ingredients

- 2 cups Crispy Rice cereal
- 1 cup mini marshmallows
- 1/2 cup creamy peanut butter
- 1 lb white chocolate

How to Make

- 1.Line 2 baking sheets with parchment paper, set aside.
- 2.Mix cereal and marshmallows in a large bowl. Set aside.
- 3.Melt white chocolate and peanut butter together in a double boiler. I prefer using a double boiler for melting white chocolate so it will melt slow and smooth, but if you prefer the microwave, you can do it that way too.
- 4.Once the white chocolate is melted pour it over the cereal mixture and stir until completely coated.
- 5.Drop using a tablespoon onto the lined pans.
- 6.Place in refrigerators until chocolate is set.
